**Subject:** EPA- NDEQ- SSC-BOE Conference call next week  
**Date:** Wednesday, April 10, 2019 8:52:01 PM

---

Sara, Susan and Mike-

Per my call late this afternoon with Sara—

can you please let me know your availability and preferred time for a joint call next Thursday or Friday—  
to discuss the following:

-the status of ongoing discussions and coordination between BOE and SSC on a thoughtful, potential transition process of the SSC facility.

Sara requested today for an update on these discussions and noted that she could be available for a call starting on Thursday.

I explained to Sara that BOE would continue its ongoing operations, while it was also working with SSC on potential transition plans and processes- that would best ensure ongoing compliance at the facility.

Best, Bill
